Sundial at Glamis Castle, 1670

Exuberant sculpture

80 pineapple dials

4 shield dials

Time corrections for clock

Photos: David Gauld

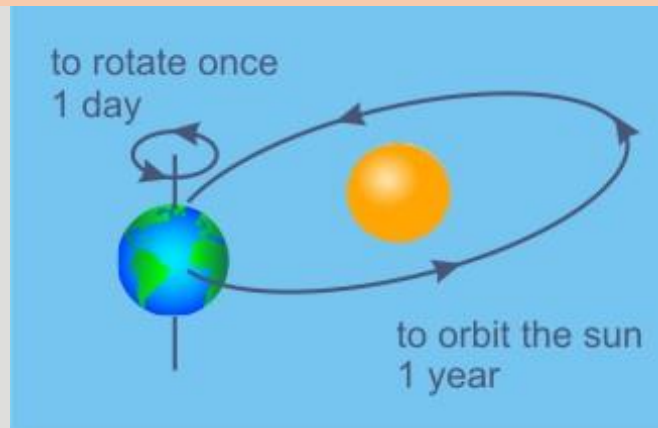

Clock and sundial time

*I am a sundial
and I make a botch
of what is done far better
by a watch!*

Hilaire Belloc, 1920s

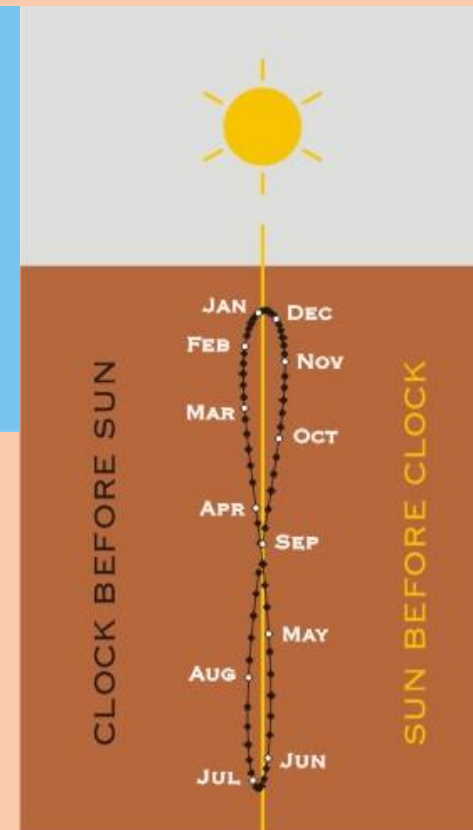

Sundials tell time by the sun

Longitude correction

Equation of time

A millennium project

New community garden for
Cockenzie & Port Seton, 2000

Grandchildren look interested for
the photo!
